

LOCAL HISTORY SENIOR TOUR

Like Alexandria itself, the Alexandria Library has a rich history that spans two centuries! In 2019, the Library is celebrating its 225th year as an entity as well as the 80th anniversary of the historic 1939 Library Sit-In. Join us on a tour of Local History and Special Collections to learn more about the Library's history and get an overview of this unique collection.

November 8th, 2019
